

This one is cool. See, we get one of those SUVs and set up a ^{film} lim runnin in the back window in order to provide some sort of entertainment to the car riding behind the SUV. You know how monotonous a long drive can be. RV

Another possibility: A live puppet show. In development.

The Miracles Project

This project is ongoing and already has garnered several successes: Christmas Miracle #1 – the Painted Bean; Christmas Miracle #2 – The Merry Christmas Newspaper; Christmas Miracle #3 – the Winter Garden Aglow. (next year our own mountain garden aglow)

More to come.

The Traveling Project

This one is still up in the air. No pun intended. Seriously, we'll have to wait and see where this one goes. Oh darn – I mean, we'll find out what happens here as we go further down the road. Okay, I'll stop. This one is both In Development and Ongoing.

The Books Project

Many, beaucoup successes, completions – and many, many more to come. We can do books on virtually anything – and everything.

The Slam Project

Ongoing. So far, so good. Monthly poetry, competition-style, cash prizes. Part of the Big Picture, sending a team to the nationals in Chicago. (this one includes Travel and Books – we can go on a Poetry Slam Tour, sell our books, do Slam books, possibly CDs, a video) puppet show

The Idaho Art Institute Project

This is Bob's baby. Designed to provide studio space for artists, art education, a venue for speakers, entertainment, dinners, Slams, etc.; AND MUCH MUCH MORE.

The Church Project

We have to get going on this one, it's next big show is coming up: Easter. Designed to bring The Story to people in contemporary form, in a variety of vehicles. I'm just making this part up.

Jungle James

This is really Bob and Francis's project, but my name is on it too. It's cool – a jungle gym for adults. Trademarked and ready to franchise.
